

Contacting the Midwives (call the pager): 604-296-9669, listen to the message, then dial the number directed to.

If you have call-display, you may have access to our cell phone numbers. We ask that you still use the pager as your first point of contact as this is the most efficient way to contact us.

URGENT concerns

1. **If you have an urgent concern: call the pager 604-296-9669, then the number provided.**
2. If your call is not answered, please call again in fifteen minutes.
3. If you still don't get a response within another fifteen minutes. Call Lion's Gate Hospital at 604-988-3131, ask the operator for "Labour and Delivery", inform the nurse who answers of your situation and that you are our patient, they will help you with your concern and contact us. We make every effort to ensure service, but in the event you cannot reach us - the hospital will know how to get in touch with us (we may actually be there at a delivery or in the OR), or they will ask you to come in to be seen.
